SECTION 7. AND BE IT FURTHER ENACTED, That where decreases have been made in the appropriations for the various departments, boards, commissions, agencies, divisions and institutions as a result of a reduction in the objects of expense for travel, communication, and motor vehicle operation made throughout the State government as outlined in documents outlining action by the General Assembly on appropriations, the decreases shall be made in those objects of expense and the effect of these decreases may be shifted among the various appropriations for programs within the departments, board, commissions, agencies, divisions and institutions, including the Department of Transportation in accordance with the provision of Section 8 of Article 15A of the Annotated Code of Maryland.

SECTION 8. AND BE IT FURTHER ENACTED, That immediately following the close of each fiscal year the Secretary of Budget and Fiscal Planning shall determine the total number of State positions that are authorized as of the last day of the fiscal year. Authorized positions shall include all budget positions as shown in the personnel detail of the annual budget for the ensuing fiscal year including non-budget programs, the Mass Transit Administration, the University of Maryland self-supported activities, and the State-Use Industries. The Board of Public Works, in exercising its authority to create additional positions pursuant to Sec. 16B of Article 78A, may authorize, during any fiscal year, up to five hundred (500) positions in excess of the total number of authorized State positions as determined by the Secretary of Budget and Fiscal Planning on the last day of any fiscal year. Provided, however, that if the imposition of this ceiling causes undue hardship in any particular department, agency, board, or commission, the Board of Public Works may authorize additional positions for such department, agency, board, or commission, upon the elimination of [other] an equal number of authorized positions in another department, agency, board, or commission, and said action shall be exempt from the aforementioned ceiling of five hundred (500). Notwithstanding anything contained in this Section the Board of Public Works may authorize additional temporary positions to meet public emergencies resulting from an act of God and violent acts of men which are necessary to protect the health and safety of the people of Maryland.
